

Independence Home Energy Loan Program (HELP) NHPA Form

To be returned to Independence Power & Light along with a list of energy efficiency measures selected from the "Eligible Measures List" or audit report results prior to applying for a Program loan for these measures from the City Credit Union. Homeowners are required to provide photos of the front façade of the home as well as photos prior to making improvements. IPL will take "after" photos of improved measures. **The IndependenceHELP program is supported with funds from the American Recovery and Reinvestment Act of 2009 and is subject to change without notice.**

National Historic Preservation Act (NHPA)

The purpose of the NHPA is to ensure that historic properties are not adversely affected by federally-initiated projects or projects that are federally funded. As this program utilizes federal funds, please provide the following information to begin the NHPA review process for your project. If necessary, a full review packet will be submitted to the State Historic Preservation Office (SHPO) using the following information. IPL will notify the homeowner when the required review under the National Historic Preservation Act is complete. *Please note that the State review process can take up to 30 days. **The loan process cannot move forward without NHPA approval.**
